Debiting your account

By signing a direct debit request, you have authorised us to arrange for funds to be debited from your account. You should refer to the direct debit request and this agreement for the terms of the arrangement between us and you.

We will only arrange for funds to be debited from your account as authorised in the direct debit request.

If the debit day falls on a day that is not a banking day, we may direct your financial institution to debit your account on the following banking day.

If you are unsure about which day your account has or will be debited you should ask your financial institution.

Changes by us

We may vary any details of this agreement or a direct debit request at any time by giving you at least fourteen (14) days' written notice.

Changes by you

You may change the arrangements under a direct debit request by writing to us.

If you wish to stop or defer a debit payment you must notify us in writing at least 14 days notice before the next debit day. This notice should be given to us in the first instance.

You may also cancel your authority for us to debit your account at any time by giving us 14 days notice in writing before the next debit day. This notice should be given to us in the first instance.

Your obligations

It is your responsibility to ensure that there are sufficient clear funds available in your account to allow a debit payment to be made in accordance with the direct debit request.

If there are insufficient clear funds in your account to meet a debit payment:

- (a) you may be charged a fee and/or interest by your financial institution;
- (b) you may also incur fees or charges imposed or incurred by us; and
- (c) you must arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in your account by an agreed time so that we can process the debit payment.

You should check your account statement to verify that the amounts debited from your account are correct.

If we are liable to pay goods and services tax ('GST') on a supply made in connection with this agreement, then you agree to pay us on demand an amount equal to the consideration payable for the supply multiplied by the prevailing GST rate.

Dispute

If you believe that there has been an error in debiting your account, you should notify us directly on 1800 221 151 and confirm that notice in writing with us as soon as possible so that we can resolve your query more quickly.

If we conclude as a result of our investigations that your account has been incorrectly debited we will respond to your query by arranging for your financial institution to adjust your account (including interest and charges) accordingly. We will also notify you in writing of the amount by which your account has been adjusted.

If we conclude as a result of our investigations that your account has not been incorrectly debited we will respond to your query by providing you with reasons and any evidence for this finding.

Any queries you may have about an error made in debiting your account should be directed to us in the first instance so that we can attempt to resolve the matter between us and you. If we cannot resolve the matter you can still refer it to your financial institution which will obtain details from you of the disputed transaction and may lodge a claim on your behalf.

Accounts

You should check:

- (a) with your financial institution whether direct debiting is available from your account as direct debiting is not available on all accounts offered by financial institutions;
